The Screwtape Letters

From Focus on the Family Radio Theatre

About The Screwtape Letters: Originally published in 1942, The Screwtape Letters is a series of communications between a senior demon and his young protégé. Written by C.S. Lewis (The Chronicles of Narnia), The Screwtape Letters is now considered a literary classic.

About the Radio Theatre version of The Screwtape Letters: Focus on the Family's Radio Theatre acquired the rights to produce a fully dramatized audio version of The Screwtape Letters, and will release the radio production in October, 2009. The Screwtape Letters stars Andy Serkis (Gollum from The Lord of the Rings trilogy) in the role of Screwtape, a senior tempter from the Lowerarchy of Hell. In these communications, Screwtape advises his young protégé on the finer points of tempting and distracting humans, eventually directing them to eternal damnation.
